## PROFESSIONAL SUMMARY

### SKILLS

Beyond the skills in electrophysiology i have skills in managment of human resorces.

I have compentence in comunication , i have a degree in hypnotic comunication (March 2019 IPNOMED torino)

### WORK HISTORY

#### MEDICAL ASSISTANT

12/2009 to CURRENT

##### **Ospedale San Francesco | Nuoro, Sardegna**

I'm a cardiologist with compentece in interventional electrophysiology. I'm an expert operator in the field of atrial fibrillation ablation ,enocardial ventricular tachycardia ablation , SVT ablation . I run as a first operator about 1000 procedures mostly with the carto 3d SYSTEM and fluoroless.

Good knowledge about intracardiac eco

I'm also expert in ICD and PM implantation . I run as a first operator abput 50 leadless pace maker implantation

#### MEDICAL ASSISTANT

11/2008 to 11/2008

##### **Istituto Clinico Humanitas | Rozzano, Lombardia**

I worked as a cardiologist with competence in electrophysiology . I run mostly procedure of pacing implantantation

### EDUCATION

#### **Associate of Science | Medicine**

2004

##### **Università Degli Studi Di Cagliari, Cagliari, Sardegna**

#### **Associate of Science | Cardiovascular Technology**

2008

##### **Università Degli Studi Di Cagliari, Cagliari, Sardegna**

#### **Associate of Science | Electrophysiology**

2008

##### **Clinical And Provincial Hospital of Barcelona, Barcelona, CT**

1 year of fellowship in the arrhytmoloic unit directed by Dr LLuis Mont

#### **Associate of Science | Electrophylogy**

2011

##### **Ospedale San Raffaele • HSR , Segrate, Lombardia**

6 months of trainng in the arrhytmology unit direct by Dr Paolo Della Bella
